Louis Kahn website

- bold landing image
- sticky nav bar
- or nav icon on top corner?
- fullscreen nav with projects
- subpages for each project
- overflow containers on top of fixed images - transparent to make it look like the text is "scrollable"
- 6 pages total, 5 subpages
- separating biography into sections by theme
- "theme color?" charcoal gray + accent colors
- mockup 2 - geometry as containers for images
- nav bar - just as icon for now
