Project Title: Louis Kahn Website

Louis I. Kahn (1901–74) was an Estonian-American architect remembered for a “monumental and monolithic” architectural style. This website would consist of multiple pages, each dedicated to Kahn’s most celebrated works, anchored around a main biography page.

- **Home Page/Biography** – Begin with a bold landing page that goes through Kahn’s biography, and ends with a “menu” of pages that delves further into his most celebrated works.
- **Yale University Art Gallery**
- **Salk Institute**
- **Indian Institute of Management, Ahmedabad**
- **Phillips Exeter Academy Library**
- **Jatiyo Sangshad Bhaban (National Assembly Building) in Dhaka**
- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
